

Md Shoaibur Islam

1st Year, 3rd Semester(CSE) - Institute of Science and Technology (IST)

Position Applied For: Organizing Secretary

Objective:

I am applying for the position of Organizing Secretary because I am deeply passionate about programming and community building. Being part of PCIST will allow me to contribute to event planning, contests, and sessions that inspire and empower students like me. I believe in learning through collaboration and would love to help create an active, resourceful environment for fellow coders at IST.

Programming Skills:

- Languages : Java, C++, PHP, Python, SQL
- Frameworks : Laravel, JSP, React, Flask
- Tools : Git, JetBrains IDE, Redis, MySQL
- Others : REST API, OOP, SOLID, Problem Solving, Concurrency

Contest Participation:

- Codeforces: <https://codeforces.com/profile/shoaib75> – Solved 250+ problems, Current Rating: 778
- LeetCode: https://leetcode.com/shoaib_islam

Regular updates:

Self-Apprise: I am hardworking, reliable, and eager to learn. I consistently dedicate time to improving my skills and helping peers whenever possible. My experience in organizing technical tasks and building solo projects has made me confident in managing responsibilities. I enjoy taking initiative, collaborating with teammates, and ensuring that tasks are executed smoothly and efficiently. I believe I can contribute fresh ideas and positive energy to the PCIST team.
